INTERNET

THE CEO CIPRIAN CICEU

” Recognized entrepreneur for more than 20 years and passionate trader, the understanding of these two worlds allows him to have an analysis and a clear vision for the development of his multiple businesses

2017 Betrader

Ciprian Ciceu decided to found the BeTrader Academy Romania franchise. He is also a professor of Master Finance specialized in Blockchain at the American university of Bucharest.

2019 BetraCoin

Ciprian Ciceu launched BetraCoin, an ERC20 utility token that provides access to a crypto training, used to expand the BeTrader Academy brand across the crypto market.

2020 Creation of a dedicated team

Ciprian Ciceu has set up a team of high-level computer science and mathematics engineers with strong expertise in the fields of algorithm research and development. During almost 2 years, Ciprian and his team have focused on automating his personal trading strategies and building an EA (Expert Advisor) that consistently performs in the financial markets.

2022 Mainet official launch

Ciprian Ciceu launches the Mainet platform, designed to help people with automatic trading solutions and other solutions related to financial markets.

THE MARKET : FOREX

FOREX (FOREIGN EXCHANGE) **is the largest** market in the world in terms of daily movement of money with over \$6 trillion in daily volume.

 This is the place where you can trade currencies all over the world. When you trade forex, you buy one currency and sell another. Currencies are always quoted in pairs. (EX : EURUSD, JPYUSD, XAUUSD ...)

- Operation 24 hours a day, 5 days a week.
- Flexible use of leverage to take advantage of relatively small price changes in currency pairs.
- Possibility of opening positions for purchase or sale.

THE PRODUCT : MAINET

MAINET EA[®] is the result of several years of market research and forex trading robot programming.

This extremely profitable EA has generated profits for our clients by auto-trading around the clock with multiple trades per day, trading strategies based on volume analysis, accurate statistics and probabilistic research.

MAINET EA[®] allows to obtain a positive return in all market conditions and to generate profitable daily operations in the financial markets

MAINET EA[®] results can be seen on MYFXBOOK giving complete transparency :
<https://www.myfxbook.com/members/Mainet/mainet-official/9678917>

MAINET EA[®] risk mitigation:

- EA programmed to take 3 - 5 trades per day
- Maximum drawdown per trade 4%
- Maximum overall drawdown 25%
- Estimated monthly earnings between 10% and 20% per month.

HOW DOES IT WORK ?

- 1 Customers access the service by purchasing a software license**
The software license gives you access to the MAINET EA

LICENCE 1:

\$200
1 YEAR ACCESS

LICENCE 2:

\$1.000
LIFETIME ACCESS

- 2 Deposit on a PAMM on the partner broker of your choice**
Several brokers will be proposed to you to deposit your funds on a PAMM

- 3 Let your capital grow thanks to the cumulative effect**
Let's take a deposit of \$1,000 with a monthly return of 15% :

	1 month	2 month	3 month	4 month	5 month	6 month	7 month	8 month	9 month	10 month	11 month	12 month	
WITHOUT EFFECT	\$1157	\$1315	\$1473	\$1631	\$1789	\$1947	\$2104	\$2262	\$2420	\$2578	\$2736	\$2900	+190%
WITH EFFECT	\$1157	\$1340	\$1551	\$1796	\$2080	\$2408	\$2788	\$3228	\$3737	\$4327	\$5009	\$5800	+480%

HOW IS THE COMPANY PROFITABLE ?

1

Rebates with broker partnership

Mainet is partnered with several brokers which allows the company to receive very interesting rebates on the trading volume of these accounts.

2

License purchases

In each license purchase, 80% of the value is distributed to the network while 20% is kept by the company

3

Performances fees

Each month, the company will take a performances fees of 30% of the profits generated by the robot on each customer account, give \$20 to the network and keep 10%.

Example: If this month, the robot generated \$100 of profit for you, then the company will take 30% of performances fees, give \$20 to the network and keep \$10.

MARKETING STRATEGY

MARKETING PLAN

2 additional ways to make money
with **MAINET**®

UNILEVEL
BONUS

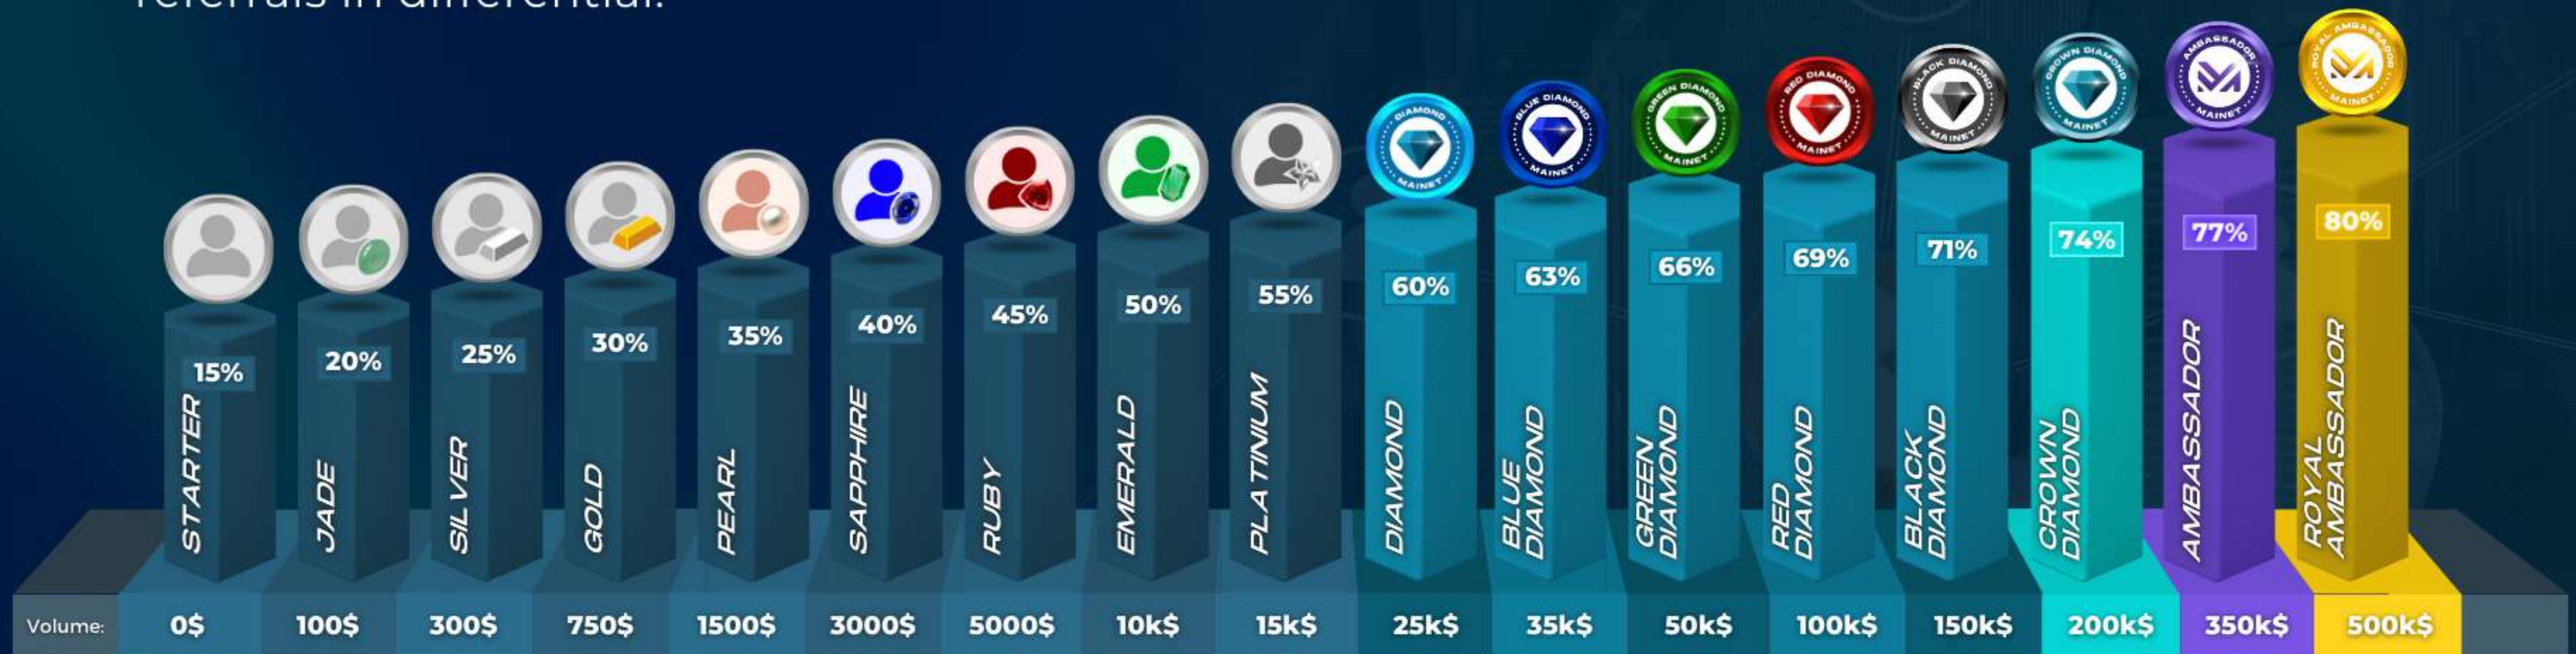

PROFIT SHARING
BONUS

MARKETING PLAN

UNILEVEL BONUS

The Unilevel bonus allows you to receive commissions according to your rank on the purchase of all the licenses of your direct or indirect referrals in differential.

To rank up, you must achieve a certain volume of sales in your global network. The higher your rank, the higher your commission percentage.

Example :

If you generate a sales volume of \$5,000, you reach the Ruby rank which allows you to receive 45% commission on the next purchases of licenses from your direct referrals.

MARKETING PLAN

MARKETING PLAN

PROFIT SHARING BONUS

Every week, the broker deducts a 30% profit-sharing fee from all profits generated by the MAINET EA on customers' trading accounts. These 30% are distributed as shown here.

10%

Is kept by Mainet.

20%

Re-distributed to the network
on 10 levels.
Can be instantly withdrawn.

MARKETING PLAN

PROFIT
SHARING
BONUS

The Profit sharing Bonus allows you to receive 20% of the earnings generated by the MAINET EA of your affiliates, on 10 levels deep.
Paid weekly.

ROAD MAP

our development plan is divided into 6 major points :

VISION 2025 – 2026

A complete **financial ecosystem** in your hands.

GOALS

Become **one of the leading companies** in the field of trading automation.

Our Vision:

All our Partners are able to meet their own personal financial and personal goals.

Our values:

Quality
Transparency
Ethics

Position yourself now and share our **success story**.

You can listen to stories, tell stories or
create your story.

Are you ready to become the next success story?

WELCOME TO MAINET

Ciprian Ciceu
